

CIRKA is now available with Text-to-Speech!

---

PanGlobals favourite study tool CIRKA has been updated to include the Text-to-Speech function. When you download the CIRKA of your choice you will now be able to enable audio for the questions, your choices and the answers. This feature will provide new study methods for all types of learners. CIRKA is available in our Book Store under eBooks, and the link for Text-to-Speech can be found under the audio heading. Try out the CIRKA Text-to-Speech function today!
