

PanGlobal is proud to announce our newest product, the revised and updated First Class Edition 2. After receiving feedback on the previous edition and assessing the current syllabus, we have revised the First Class learning content to deliver a superior learning experience.

This edition addresses all eight sections of the Revised First Class Syllabus - 2012 (A1, A2, A3, A4, B1, B2, B3, and B4), and newly added features and capabilities. Look out for the following updates in this new edition:

- Updated template
- New and full colour images
- Updates to the Codes, Thermodynamics and Applied Mechanics sections
- The ability to purchase individual volumes
- Additional features for eBooks (sold separately from the textbooks)

Our new edition will be available for purchase starting **April 1, 2021** through our bookstore and eBook store.
